

WATER QUALITY & STRATEGY TEAM: MEETING MINUTES

5th December 2025

1) TESTING/REPORT 4 UPDATE

Discussion:

- All sampling for the testing programme now complete, still waiting for some results back from the lab
- Review of the draft Testing Results Paper, highlighted changes to formatting and text.
- PFAS Panel's schedule being prepared for their visit. Two public meetings are taking place on 17th December.
- First public meeting will be held online at 10am, purpose will be for the panel to discuss the testing results paper
- Second public meeting will be held in person at 6pm at St Brelade's Parish Hall. Purpose of this will be to launch the second phase of Report 4

Actions:

- Get a steer during board meeting on 8th December regarding stakeholder engagement ahead of the publication of the results paper and PFAS panel report launching 17th December

2) HEALTH UPDATE

Discussion:

- Newsletter was sent to Islanders
- Written confirmation to go ahead with Clinical Intervention Service. Conversations currently ongoing with Health Care Jersey services to iron out the formalities
- Expected numbers is difficult to say but estimate of 50% of the original 50 people that were testing would be eligible to go forward to the Clinical Intervention Service.
- Proposed starting date of 19th January for Clinical Intervention Service following November board meeting

4) COMMS UPDATE

Discussion:

- Local and national media growing in interest around the work we are doing
- Islanders from an environmental group has sent a paper to all States Members, a response is currently being prepared

Actions:

- Create a comms plan and lines to take ready to show at board meeting on 9th December

Meeting adjourned.
