

WATER QUALITY & STRATEGY TEAM: MEETING MINUTES

09th July 2025

STEERING GROUP UPDATE

Discussion:

- Held 2 meetings already and have agreed topics for each of the monthly meetings remaining in 2025
- Arcadis have been added to the group in an advisory role

REPORT 3 – PUBLICATION AND RECOMMENDATIONS

Discussion:

- In person islander meeting postponed, with a provisional date of Wednesday 10th September
- This should not delay any actions from the recommendations

REPORT 4 - SCOPE

Discussion:

- Still on track for interim report to be presented to Islanders on 7th August
- The number of people attending the online panel meetings continues to be low (less than 10 on average)

PR & COMMUNICATIONS

Discussion:

- Comms plans changed due to postponement of public meeting

Action:

- Set up fortnightly catch up every 2 weeks between comms and programme support members.

Meeting Adjourned.

Next Meeting: 6th August 2025
