2018 Income Tax and LTC Notice of Assessment (Return)

Taxpayer D

Date of notice 23/08/2019

This is your total tax for the year.

Year	Description	Amount
2018	Income Tax	£1,170.00
2018	Finalised Long-Term Care contribution	£58.50

At 23/08/2019 your 2018 tax and LTC outstanding balance:

£1,228.50

This is your finalised long-term care (LTC) for the year.

Please note:

- If the balance of tax isn't paid by 06/12/2019 you may be charged a 10% late payment surcharge.
- If part or all of the amount due is covered by future ITIS payments or direct debit payments before the surcharge date, you should take these into account before paying.

The calculation overleaf shows you how your income tax and LTC contribution has been worked out.

Payment on account for 2019 tax and 2020 estimated LTC

This is your first payment for 2019 tax. We are telling you in advance so you can make provision for the payment.

Year	Due date	Amount
2019	31/05/2020	£614.00

This is the remaining balance of your tax and LTC for the year. This is taking into account any payments made, including any ITIS payments.

This is advanced notice of your payment on account that you need to make next year. You do not have to pay this until the due date.
