

Lesson 4 – Know and Do

Spot the difference

LESSON OUTLINE

Provide students with the two “Know and Do” Weekend and Holiday Working and Working When Your Studies Are Finished. Ask them to place the sheets side by side and carefully compare them. Students should be able to identify the key differences between the two.

ANSWERS

KNOW	
1	No 1 from weekend work sheet is not in the list for when studies are finished.
2	‘likely tax’ says you will likely need to pay some tax on the ‘studies are finished.’ List.
3	Requesting an ITIS rate’ - gives specific advice about the importance of accuracy when requesting an itis rate, rather than just defining what an ITIS rate is
4	Extra point explaining that employers pay our tax to Revenue Jersey for us.
DO	
1	2 extra points added to the list, about telling Revenue Jersey if you are leaving the island and about filing your tax return.
