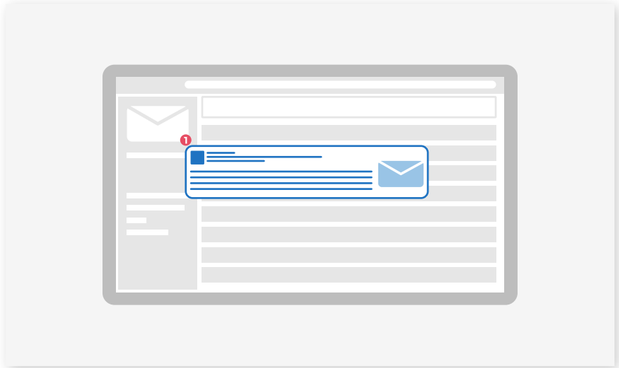
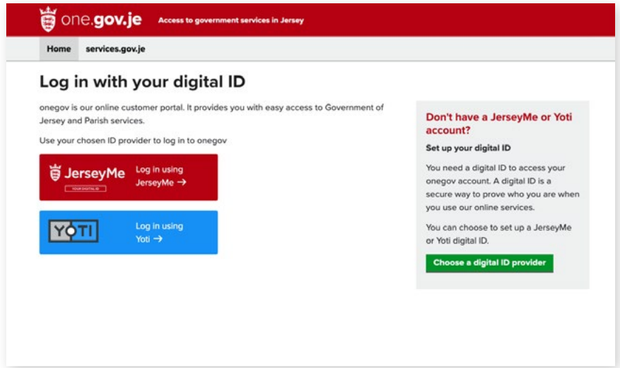
Can view and edit registration details	✓	✓	✓
Can download PDFs	✓	✓	✓
Can submit the MCIT return	✓*	✓*	✓*
Can view statements	✓	✓	✓

*Available in a future release

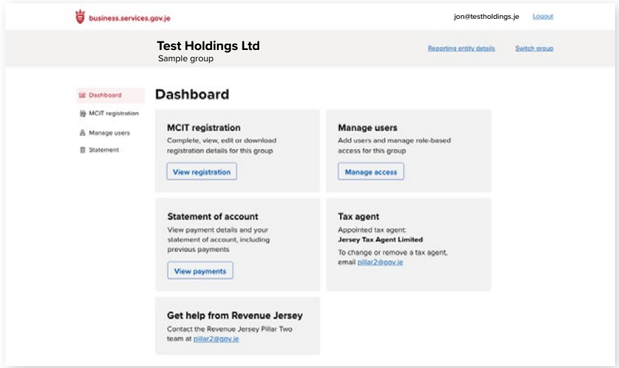
Log into Pillar Two Platform



As a nominated principal, you will receive an email from *pillar2@gov.je* when you have been verified. This email will confirm that your account has been set up and will include a link to log in. Alternatively, you can go directly to www.pillartwo.tax.business.services.gov.je and verify your identity.

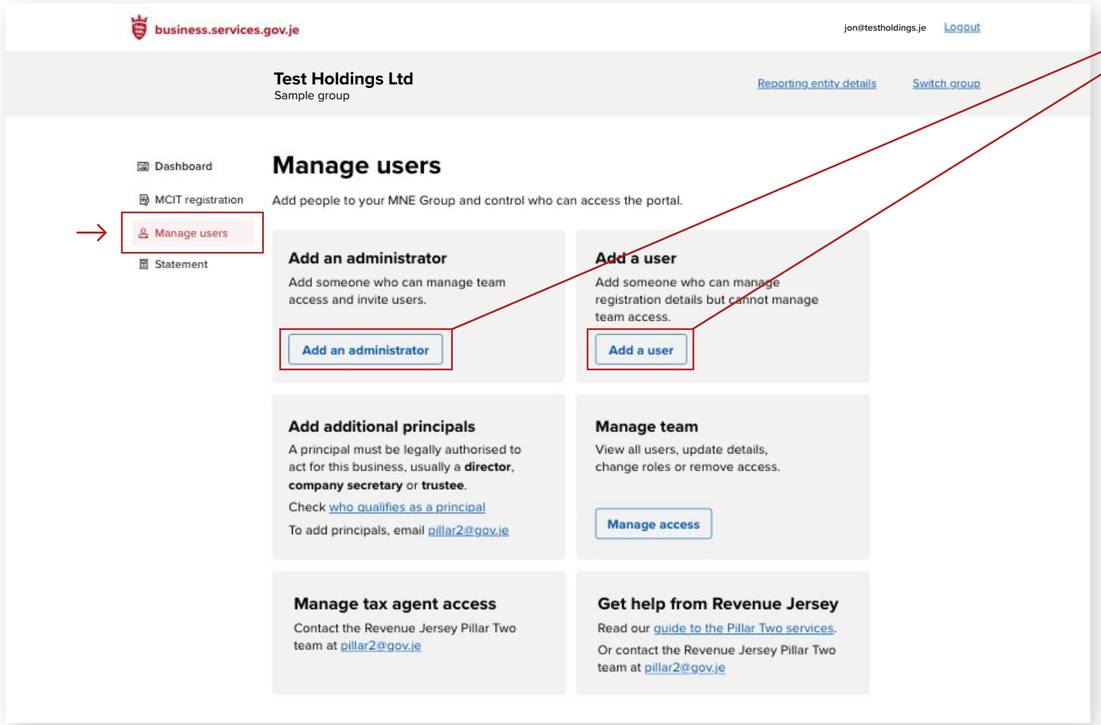


You will need to log in using your personal digital ID (Yoti or JerseyMe). If this is your first time using Jersey digital ID, you will have to set it up first. Please see step-by-step guidance for Yoti or JerseyMe on these links.

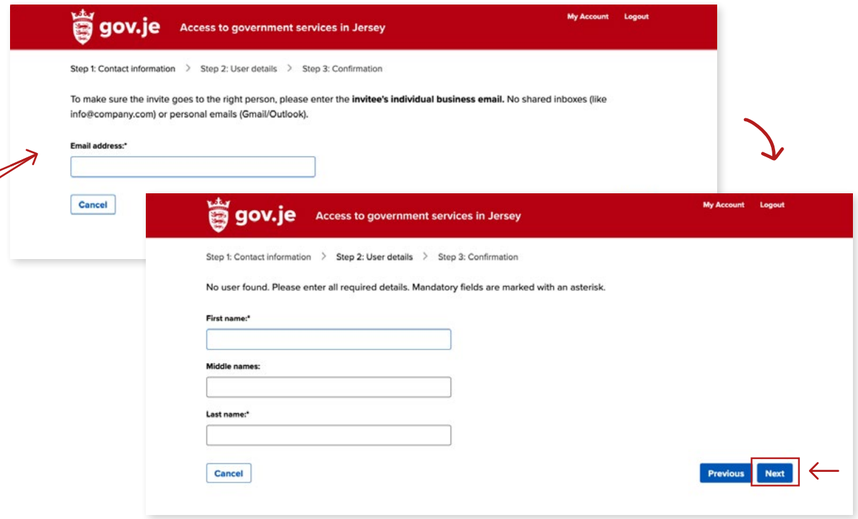


After logging in, you will be able to see Pillar Two Platform where you can invite other users, edit the MCIT registration, or see MCIT payment details.

Delegate access for other users

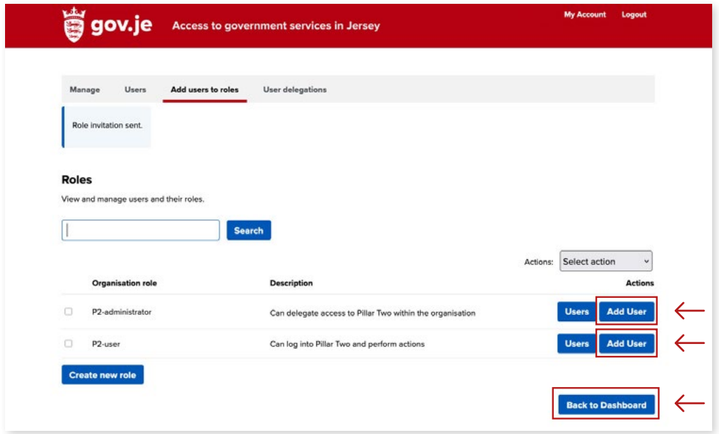


To assign another member of your team to your group, go to the “**Manage users**” tab and select the type of role you would like to add.



Please provide an email address, first name and last name and select “**Next**”.

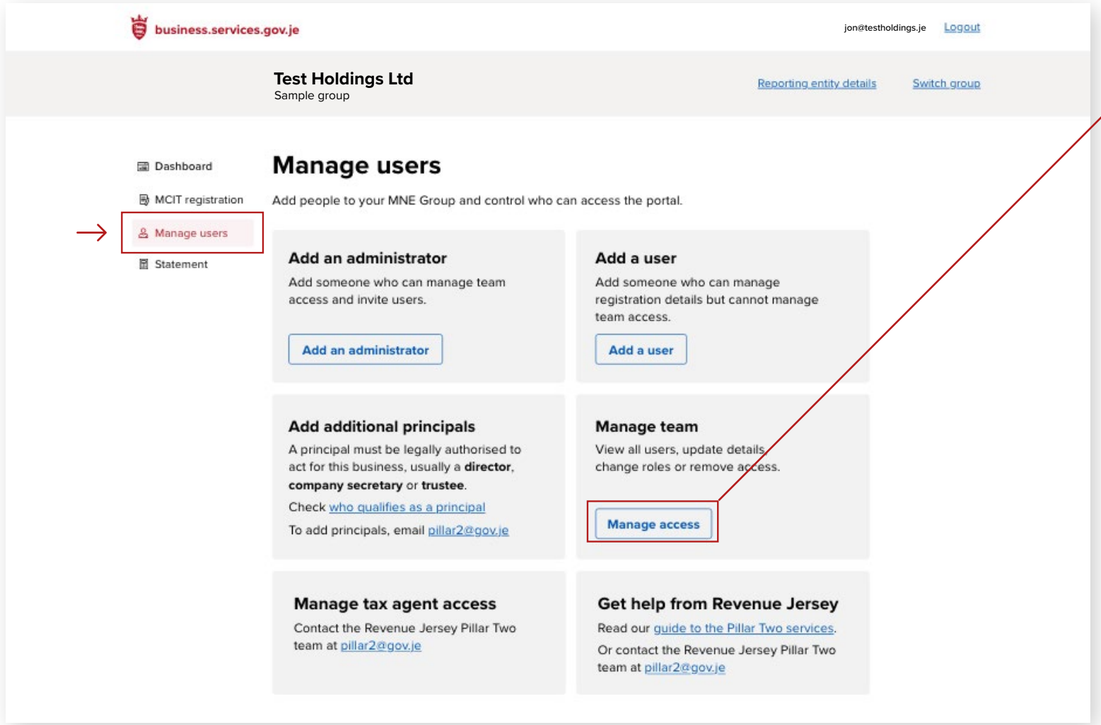
Finally, confirm the details you have submitted. An invite email will be sent to the new user to register.



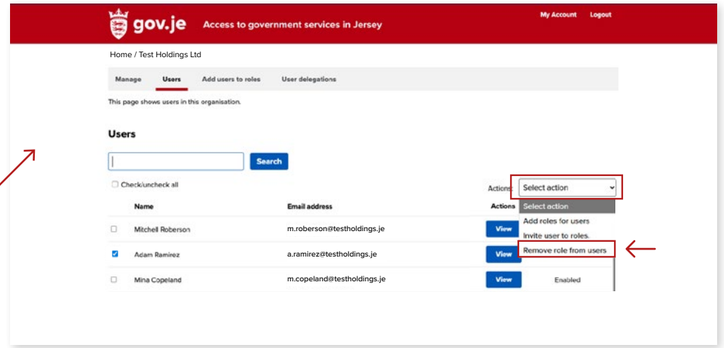
You can add more team members by selecting the “**Add user**” button for the relevant role, or you can go “**Back to dashboard**” to take you back to Pillar Two Platform

Remove access of other users

This is only available to **principals** and **administrators,** other users will not have access.

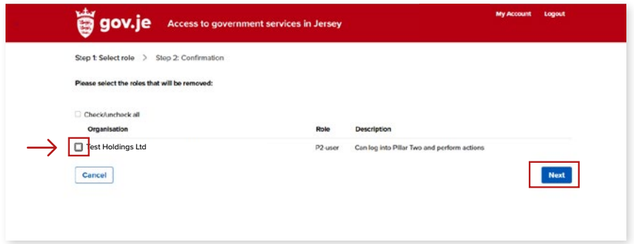


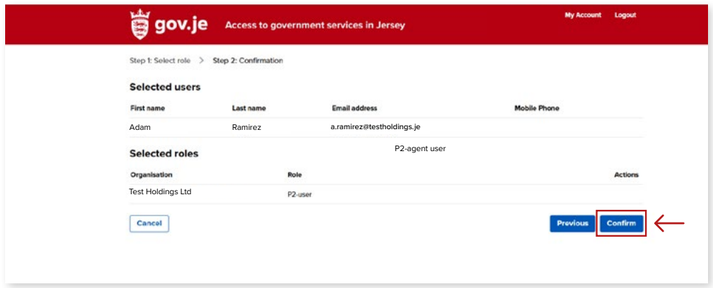
Remove access for other users, go to “**Manage users**” tab and select “**Manage access**”.



Select the user you want to remove from your organisation and select “**Remove role from users**” from the “**Action**” drop-down.

Tick your organisation and select “**Next**”





Select “**Confirm**” to remove a user from your organisation.
