

STATES OF JERSEY
MINISTER FOR HOME AFFAIRS
CUSTOMS AND EXCISE (IMPORT AND EXPORT CONTROL) (JERSEY)
ORDER 2006

OPEN GENERAL EXPORT LICENCE

EFFECTIVE AS FROM 11th July 2019

THE AGENT OF THE IMPÔTS, by virtue of the powers conferred upon the Minister for Home Affairs by the Customs and Excise (Import and Export Control) (Jersey) Order 2006, and all other powers enabling the Minister in that behalf and delegated to the Agent of the Impôts, hereby revokes all previous Open General Export Licences and grants the following Open General Export Licence:-

1. Subject to the provisions of Paragraph 2 and 3 of this Licence all goods may be exported from Jersey unless they are included in Schedule 1 and Schedule 3 of the Customs and Excise (Import and Export Control) (Jersey) Order 2006, save that firearms and ammunition authorised to be possessed under the Firearms (Jersey) Law 2000 may be exported to any other of the British Islands.
2. This Licence does **not** authorise the exportation of:
 - a) any **cultural goods** to which EC Regulation 3911/1992 (as amended from time to time) relates to a destination outside the Customs territory of the European Community;
 - b) any **substances, or products containing such substances, that deplete the ozone level** as listed in Annexes A to F of the Montreal Protocol on Substances that Deplete the Ozone Layer (as amended or adjusted from time to time) (the "**Montreal Protocol**") to any State not party to the Montreal Protocol;
 - c) any **rough diamonds** controlled by EC Regulation 2368/2002 (as amended from time to time) unless all the conditions regarding the Export Regime as detailed in that Regulation are fulfilled;
 - d) any **dual-use items** as listed in Annex I or IV of EC Regulation 428/2009 (as amended from time to time) unless all the conditions regarding the Export Regime as detailed in that Regulation are fulfilled;
 - e) any **radio or telecommunication terminal equipment** to which EC Directive 1999/5/EC (as amended from time to time) applies that does not, as provided by Article 8 of that Directive, bear the CE

marking which indicates conformity with all provisions of that Directive;

f) any goods where the export of those goods would be contrary to any of the provisions of any other enactment, including any enactment of the United Kingdom extended to the Bailiwick by an Order in Council;

g) the substance listed below:

- **fluorophenmetrazine also known as FPM**

3. Substances, or products containing such substances, that deplete the ozone level as listed in Annexes A to F of the Montreal Protocol may be exported to any State party only as permitted by, and in accordance with, the Montreal Protocol and EC Regulation 1005/2009, supported by a valid export document.

This Licence shall have effect from **11th July 2019**.
