Note:
1. Shuttle bus during section 4 will complete a loop as shown and return to the bus station. Frequency approx every 20 min. Shuttles will run between 6:30am and 11:05pm.
2. Outbound buses refer to routes travelling from St Helier heading East to Gorey.
3. Inbound buses refer to routes travelling from Gorey heading West to St Helier.
4. All bus services noted including shuttle bus service can be used to connect with inbound or outbound services at no additional cost. Simply board a bus at the nearest active stop and connect with your intended route at their nearest convenience. The drivers will be happy to help or advise.
5. When works occur at the junction of Jambart the nearest bus stop will be the temporary stop as shown below. Inbound buses will then use Rue de Causie while work is completed.
