Complaints Procedure

This is the recognised complaints procedure which clarifies what action you should take if you are unhappy with the treatment or service you have received from the Public Employee's Pension Team (PEPT or Pensions Team).

From the day you become a member of the Scheme, to the day when your benefits or dependant's benefits are paid, the employer and the Pensions Team have to make decisions under the Pension Scheme Regulations that affect you (or your dependants). When you (or your dependants) are notified of a decision you should check, as far as you can, that it is based on the correct details and that you agree with the decision.

In the event that you are not satisfied with a decision affecting you in relation to your benefits then you have the right to have the decision reviewed under the formal complaint procedure.

Who can complain?

A complaint can be made by any member who is not satisfied with any decision of the Pensions Team which would affect them, or is likely to affect them, in relation to their benefits. A complaint can also be made by a parent on behalf of children or a legal guardian acting on behalf of a member in accordance with their wishes.

What is the time limit for making a complaint?

If you wish to make a complaint you should make it normally within 3 months of the day you were informed of the decision or incident leading to the complaint, or within 3 months of the day on which you became aware of something to complain about.

The Pensions Team have the discretion to waive the time limit if there is a valid reason as to why you did not raise the complaint earlier.
