### **Introduction**

The Minister for Infrastructure is asked to approve a new Taxi Rank on La Route de la Haule for use on Friday and Saturday evenings and Sunday afternoons.

### **Recommendation**

The Minister is recommended to approve a new Taxi Rank on La Route de la Haule for use on Friday and Saturday evenings, between 6pm and midnight and Sunday between 12 noon and midnight which will improve the availability of taxis at St Aubin during these times.

### **Detail**

Members of the public who wish to support hospitality businesses at St Aubin often experience difficulty in getting access to a taxi to get home and are unable to use the bus service there due to their home location not being readily on a bus route.

Following discussions with the Taxi Drivers Association where they have requested a new area be made into a taxi rank between the hours of 6pm and midnight Friday and Saturday evenings and Sundays between 12 noon and midnight for this purpose.

Having this new facility will enable taxi drivers to ensure there is an adequate regular supply of available taxis at these peak times.

As this area sits within St. Brelade consultation has been undertaken for this change and the Parish are supportive.

The Minister for Infrastructure can create stands for public service vehicles of any class or description on land administered by a parish using powers under Article 37 (3) of the Motor Traffic (Jersey) Law 1935.
