Resource Implications	There are no new financial and/or manpower implications.

Introduction

The constitution of the Jersey Council for Safety and Health at Work, an independent body set up by the States to promote the health and safety of workers, agreed by the States on the 30th July 1991 (P102), provides for the appointment of members to the Council by the Minister for Social Security.

The Council consists of a Chairman and four members who are appointed to serve a three year term of office. The Council receives an annual grant to carry out its work and is required to submit an annual report and accounts to the States.

Proposed member

The term of office of a Council member, Mr Adrian de Gruchy, expired on 31 July 2023. Recruitment to the vacant position was commenced in accordance with the Jersey Appointments Commission Code of Practice. Mr de Gruchy applied to sit as a member for a further 3-year term of office.

As a result of this appointment process, Dr Taylor, Chairman of Council, has put forward Mr Adrian de Gruchy to sit as a member on Council for a further 3-year term of office. Mr de Gruchy is a Managing Director of a local group of companies offering integrated business support services including transport, training, fleet and equipment solutions.

A further two positions will become vacant in October 2023. The existing Council Members have indicated that they will not apply for re-appointment. Recruitment to these positions is currently underway.

Recommendation

It is recommended that the Minister agrees to the proposal from Dr Taylor, Chairman of the Jersey Council for Safety and Health at Work, to re-appoint Mr Adrian de Gruchy for a 3-year term of office as a member of Council with effect from the 01 August 2023.
