Policing of Beaches – Authorised Persons

Introduction

This is a written report to support a Ministerial Decision and is to be read alongside the supporting documents, if any. This report has been prepared by officers and is viewed to be in accordance with the [Ministerial Code](#), supplementary guidance on [Ministerial Decisions](#), appropriate [Freedom of Information exemptions](#), and with consideration of [Data Protection Principles](#).

Supporting Documents

Policing of Beaches – Authorised Persons, 14th May 2025, Regulation Standards Officer - Licensing

Reason for the Decision

The Minister has been made aware that vehicles are being parked in contravention of the regulations on the West Park slipway (near the Le Fregate Café). This slip is a critical access point for both the amphibious transport (duck) service to Elizabeth Castle and for emergency vehicles to get onto the beach. The Minister understands that the duck service has been affected on a number of occasions, and serious concerns have been raised that emergency vehicles might have trouble accessing the beach should they be required.

This decision will empower the Parish Community Wardens and Parking Control Officers to take enforcement action under the Regulations.

Recommendation

The Minister decided, under the Policing of Beaches Regulations 1959, to authorise Officers within the Parish of St. Helier known as Parish Community Wardens and Officers within the Government of Jersey known as Parking Control Officers as authorised persons under these regulations.

Action Required if the Recommendation is Adopted

The department and/or Ministerial Office to update relevant parties of the decision.

Resource Implications

There are no staffing implications for the Government as a result of this Ministerial decision.

Conflict of Interest

The decision-maker does not have an actual or perceived conflict of interest as relates to this decision.
