Please note the following:

- Year of reporting does not necessarily equate to year of alleged offence.
- These numbers reflect concerns raised via Adult Safeguarding only and do not necessarily include all concerns reported directly to the Police.
- These numbers relate to all alleged sexual activity. Sexual activity may or may not have taken place.
- The concerns raised are not necessarily all alleged sexual acts, and these numbers may reflect concerns raised from sexualised language, inappropriate touching, alleged grooming activity, and sexualised behaviours.
