

Calculated contracted hours for agency staff working across Allied Health Professions or Health Sciences in 2023, by area, according to monthly headcount (snapshot) and standard weekly work pattern.

** Actual hours worked will differ, as the calculation cannot account for leave, either through sickness absence or planned periods of leave, all of which would be unpaid for agency contract staff.*

*** Figures rounded to two decimal places.*

Area	Calculated contracted hours for 2023
Audiology	1122.33
Biomedical Science	13788.67
