Dear [REDACTED]

Thank you for confirming.

Will GoJ issue this statement?

As this is not an island wide instruction perhaps it would be appropriate for GoJ to issue the notice that it will be flying the flag as is HMG.

Kind regards

Dear [REDACTED]

I confirm that the Chief Minister has consented to flying the Israeli flag from Broad Street, commencing tomorrow, as a sign of Jersey's support for Israel following the terrorist attacks by Hamas.

Kind regards
