Laura,

Many thanks for your continuing support a will raise a Parish invoice for the Treasury contribution. Should there be a surplus at the end of the project, I will do course advise you and make those surplus funds repayable to Treasury.

Laura,

The statue project is progressing quicker than I had expected and given the pledges so far received and others not fulfilled, I will be anticipating a shortfall in the region of £10 to £15 thousand pounds. I still await a couple of pledges who assure me that funds could still be made available but cannot rely on those as I am being pressed for monies for the statue and funding for associated works.

May I request your assistance with funding so as I can commission the granite plaque featuring his brief history and other small works. If so, I have opened a budget line in the Parish accounts into which all monies are paid and costs drawn to assure that all transactions are appropriately recorded and cheques made out to the 'Parish of St Peter' can be paid into. If needed, I can provide an invoice from the Parish to support any monies received.

Best regards

John R.
