Paul

Just for clarification when I saw the CM on Monday he reiterated that but, also said that there would be 5 Appendices. The report of the Hospital Board, The Ministers response, the two risk papers and a Financial summary. [REDACTED] Article 35

Can you clarify please.

Cheers

Dear All

To confirm, I have now had a further conversation with the Chief Minister who has made clear that he wishes to proceed with a proposition to rescind the site and preferred scheme decisions, as below. I have reminded him of the advice he has received in the various CoM reports.

He wishes to lodge by Friday in the name of the Chief Minister, so we can make a February debate. I will share a draft late today or early tomorrow

Thanks. [REDACTED] we have to have a balanced approach to the issues [REDACTED]
[REDACTED] there needs to be an appendix which also summarises the financial issues. As public servants we have a duty to present the facts to ensure an informed debate takes place. [REDACTED]

Charlie – the Chief Minister [REDACTED] a cover report of two sides + remaining appendices.

I intend to (a) explore further with him the issue of appendices, and (b) reflect [REDACTED] in the cover report the risks at a high level based on the risk papers. [REDACTED]
[REDACTED]

I hope that is clearer.

I can provide a further update tomorrow.
