Subject: Fuel and something else

Dear [REDACTED]

Apologies for the length of time in replying. It was great to chat on our visit to Geneva and once again, thank you for allowing us to utilise the spare seat on the plane.

Regarding fuel, I've asked [REDACTED] at EDD to look into this and talk to all parties concerned to reach some form of resolution to the situation. I'll chase that up and reply again once I hear more.

I wonder whilst writing, if I can ask something of a long shot, on behalf of one of Jersey's leading athletes. [REDACTED] is an [REDACTED] who represents Great Britain and Jersey around the world. The Island Games need to get [REDACTED] back from the Midlands on Sunday night, as [REDACTED] is due to represent Jersey on Monday morning in Jersey and one of our best medal prospects. [REDACTED] is competing with the GB squad in Shropshire on Sunday up until 1530. Clearly a wild long shot, but do you have anything returning on Sunday - 1630-2000 from anywhere in the Midlands, with a spare seat on it?

Regards Murray
