Hi [REDACTED]

Sorry to chase but its now getting critical and the client is concerned as the above permit expires in 10 days time. Please can you send me the letter of confirmation that the Department is satisfied that all conditions have been discharged to enable commencement and that you are satisfied that works have commenced to trigger the Planning permit valid beyond its expiry date. I know you were going to send it a couple of weeks ago, but if you could please send me this ASAP. A letter via email is sufficient.

Kind regards
