Total Posts Pre- Staff Review (Response to Question A)	**45**	**5,288**

Notes:
All values exclude posts which were out of scope for the Staff Review process
Remuneration equates to total direct staff costs (basic pay, employer pension and social security costs).

Staff numbers of less than five have been removed for data protection reasons. Article 25 of the Freedom of Information (Jersey) Law 2011 applies (personal information).

Please note the request has been made for number of posts but each post may have multiple staff assigned to it.
