THE 2007 JERSEY UNDERGRADUATE INTERNSHIP

Undergraduates - you - an opportunity to take up meaningful **paid** employment during the summer.

States
of Jersey

Economic Development Department

WHAT

The 2007 Jersey Undergraduate Internship is an exciting initiative developed and supported by the States of Jersey Economic Development Department. The programme provides local undergraduates - **you** - an opportunity to take up **meaningful**, **paid** employment during the summer.

Whilst the work offered does not necessarily have to relate to your degree subject, it will be an interesting, challenging and significant experience to include in your CV.

WHY

Launched in 2006, the Jersey Undergraduate Internship is designed to:

1. Introduce local undergraduates to the professional opportunities available in Jersey in a wide variety of sectors.
2. Provide an avenue for local employers to meet and work alongside prospective, high calibre, local employees - **you**.
3. Assist and encourage young Jersey people to develop new and existing skills through invaluable work experience.

WHEN

The 2007 Jersey Undergraduate Internship will take place in Jersey during the summer, for a period of up to eight weeks.

HOW

To get hold of a registration form or for more information, visit www.gov.je/economicdevelopment, email enterprise@gov.je or contact a member of the team at Enterprise and Business Development on (01534) 448143.
