

- Notes:
- The survey data for all Existing Outline Plans, Sections, Elevation and dimensions was captured using 2014 LIDAR data and the accuracy of the scale model and the outlines $\pm 4\text{mm}$.
 - The Levels are to Ordnance Datum (+5.88m from Chart Datum).
 - For Proposed Site Plan Drawing refer to DRG. No. ARP-GS-DR-PR-001
 - Beach levels may vary from tide to tide
