Application reference: P / 2011 / 1673

Application address:  
 PLEMONT HOLIDAY VILLAGE

Objection  Support  (Please tick appropriate)

Your comments:  
 The impact on the character of the area will be disastrous with this application to build 28 units of residential accommodation.  
 The ecology of this area is very fragile + would be badly affected by noise, disturbance, light pollution. Also the open heathland would be destroyed for ever.  
 Once there, creeping development would possibly occur with further planning applications and consents.  
 Sadly if this was a new application on this site it would never be allowed.  
 The right & proper decision is to return the area to nature.
