

## 2016 Population Office figures for April to June 2016

### Business Licencing figures

The tables below show the number of applications for registered and licensed permissions, and how many were granted or refused by the Population Office.

The main factors taken in to account when deciding whether to grant registered and licensed permissions to a business, are:

- Preserving and maximising the benefits of Jersey's resources
- Promoting a balanced and prosperous economy
- Protecting the integrity and reputation of Jersey in commercial and financial matters
- Relevant policies of the States of Jersey and the public interest

**Business Licensing turnaround times:** Applications determined from 1<sup>st</sup> April to 30<sup>th</sup> June 2016

These figures are being published following recommendations in the [Jersey Innovation Review](#) and will be published on a quarterly basis going forward.

	Applications received	Minimum	Maximum	Average
Staffing permissions (Registered & Licensed)	108	Same day	22 days *	3 days
New business applications (includes sole traders, partnerships, companies and incorporated associations)	242	Same day	12 days *	1 day
Overall average for all services (includes non-resident undertakings, license revisions, change of ownership etc)	819	Same day	22 days *	1 day

\* Relates to a single application in each category

HAWAG (Housing and Work Advisory Group) meet every 2 weeks to determine appeals or other applications not decided by Officers (for example substantive applications). The group consists of the Assistant Chief Minister, the Housing Minister, the Assistant Minister for Social Security, and the Assistant Minister for Economic Development.

Appeals (post rejection) are classed differently to applications and timescales are therefore not counted in these figures.
