1.2 Specific comments received on football

St Martin SCF Football Club

- Home Ground: St Martin's Pitch, St Martin School
- Very good access to the facility
- Poor facilities for the disabled
- Not very good value for money
- Would like to see better lighting around the pitch
- Run 3 adult teams
- Majority of members live over 3 miles from the venue

Grouville Football Club

- Home Ground: Le Boulivot, Grouville
- Good access to the facility
- Poor quality pitch and facilities for the disabled
- The club is in the process of developing land recently purchased, to be used for mini-soccer and practice purposes
- Run 3 senior teams, 1 ladies and 5 junior teams (U12's to U18's)
- Majority of members live between 1 and 3 miles away from the venue
- The club is very grateful for the financial support provided by SE&C towards the cost of the new land development project

St Paul's Football Club

- Home Ground: St. Paul's FC, clos du pauvres, St. Saviour
- Very good pitch, good value for money and access
- Not very good facilities for the disabled or equipment and storage

- Currently in the process of submitting a grant application to the Football Foundation for new changing facility
- Would like to see more all-weather football pitches
- The club runs 13 teams
- All the members live over 3 miles from the venue

1.3 Cricket clubs and grounds

Grounds used:

- Grainville
- FB Fields
- Les Quennevais
- Victoria College
- St Michael's
- Farmers Field

1.4 Specific comments received on cricket

Fairbairn SCF Cricket Club

- Use the cricket pitches at the following venues; Grainville, FB Fields and Les Quennevais
- All facilities at all venues are good
- The grass wicket at Les Quennevais No.1 pitch needs digging up and re-laying
- Would like to see an indoor cricket centre, covered netball courts at Les Quennevais and refurbishment of the netball courts at FB Fields
- Run 1st and 2nd teams on Saturday and Sunday respectively plus a Junior U13 team in liaison with Haute Vallee School

The Armchair Cricket Club

- Use all the cricket facilities on the Island
- The general quality of all the pitches is good
- Would like to see a general club house for all sports
- The club runs 4 teams

Natwest Cricket Club

- Home Ground: FB Fields
- Poor changing and shower facilities
- Good access and car parking
- In general, cricket facilities are good on the island - with Grainville as the show-piece
- FB Fields facilities are very tired and the changing rooms far too small for the modern era when most players arrive with their own kit
- Would like to see FB Fields upgraded, especially the changing facilities and a critical review of all artificial cricket pitches, as some are dangerous
- Run just 1 team

1.5 Hockey clubs, grounds and comments

Jersey Wanderers

- Main facility: Jersey Hockey Club, La Rue Des Sauvalleries, St Peter
- Very good value for money and easy to book
- Poor facilities for the disabled
- No improvements needed
- Teams run by the club: 3 senior men's, 1 ladies, U18, U16, U14 x 2 , U12 x 2, Girls U15, Girls U13 and a mini section

- Half of the members live between 1 and 3 miles from the venue, the other half over 3 miles away
- Would like to see a floodlit football facility with a shelter in the west of the island

Jersey Ladies hockey Club

- Main facilities: Les Quennevais ATP and Claremont ATP
- Not very good equipment and storage
- Good value for money and car parking
- At Les Quennevais, the toilet facilities (pitch side) are not very pleasant and could be improved
- Shelters would be useful at Claremont as there isn't anywhere for substitutes to wait and also more benches for spectators
- Run 2 adult and 1 junior team
- Approximately 35 members who come from all over the island
- Would like to see a second ATP at Les Quennevais

2.0 Feedback from schools

SCHOOL	What indoor and outdoor sports facilities do you currently have?	How do you rate the quality of your sports facilities?	What additional facilities would you like to have?	Are your facilities used by community groups and clubs?	Would you be interested in opening your sports facilities up to the community?	Are there any other improvements to your facilities you would like to see happen?	Are there any other comments you feel are relevant?
Bel Royal School	Large school Hall 2 Tarmac playgrounds Nursery play area Field (jun football pitch)	Excellent	Cricket square Rebound wall areas	Hall - 2 karate clubs Hall - Gymnastic club Hall - Community groups	Beyond what we already do - No	Make the school field more accessible for wheelchair users	We have problems with skateboarders and anti-social behaviour on school grounds esp. at weekends.
Mont Nicolle School	School Hall Junior football pitch Smaller grass area Tennis court	Reasonable	None	Hall - karate club Hall - Brownies Hall - Street dance club	Maybe - but could be problematic, i.e security, caretaking, wear and tear	No	Facilities are easy to provide, but the input from skilled coaches is more important.
St Clements School	School hall/gym Lrg playground Small field	Our facilities are very new	Access to a swimming pool	No	I have nothing against community use, but it can cause problems	No	New build schools like ours should be able to use the capital budget to develop the outdoor area.

Grainville School	School Hall Sports Hall Fitness suite 6 tennis courts Football/rugby pitch 3 netball/tennis courts	Generally good - courts in need of attention and the field is over used.	We would really like an astro for hockey and possibly football	Yes - no details given	Already do	Courts need upgrading, floodlights to allow use through winter	We have been asking for an astro for several years and also for the upgrade of the courts but budget does not allow.
Grands Vaux School	School hall/gym Netball court	Ok - we have no facilities to play football and rugby though	We would love and need a football pitch!!	We have a school dance, football and netball club Hall - Yoga club	It would depend on the activities and how that would impact on teaching time etc.	Other than a football pitch, which just is not possible, we are getting by ok.	No
Samares School	Large hall Large field (Jun pitch) 2 netball courts	Good - considering the school is in a housing estate.	We are lucky enough to have FB facilities close by, which we use.	Pathways NSPCC Culks Sports ESC Activity clubs St Pauls FC	It would be something I would consider.	The hard areas need resurfacing.	No

Trinity School	Multi-purpose hall Netball court Access to Riley Field	Our facilities are on par with other island primary schools.	Extra storage would be useful	Hall - Dance Group Hall - Singing Group Highlands College use the hall for free	Already at capacity	The situation of Highlands College not being charged needs to be reviewed	Users are responsible for unlocking/locking and tidying as we have no caretaker cover
St Luke's School	Multi-purpose hall Restricted outside space Activity trail	Not adequate to provide the requirements of the PE curriculum	Need a school field but nowhere on site to expand	Hall - Dance class Hall - After school club	Would be willing to as long as costs for heat and light are covered but it is very small and we have limited parking	Surface of the 'top' playground to be levelled. I would also like to be able to install netball posts.	The school spends £2000 a year transporting pupils to FB Fields for sports
Haute Vallee School	Sports Hall 25m swimming pool Gym/exercise room Senior football pitch 4 tennis/netball courts Athletics field	Indoor - very good Outdoor - very poor	Outdoor pitches needed urgently - 2 more to enable inter-school fixtures to be played	Pool - Jersey Tigers Swimming Club Sports Hall - used by many sports clubs Pitch - Culks' Soccer School	No as we already book the facilities out ourselves via the site manager. Apart from the swimming pool which is under separate management.	The school is working via its Governing Body to attempt to lease or acquire the adjacent field for 2 extra pitches.	The school campus has become a playground / dog exercise area for the community by default - which is detrimental to the site and has implications for health and safety.

SCHOOL	What indoor and outdoor sports facilities do you currently have?	How do you rate the quality of your sports facilities?	What additional facilities would you like to have?	Are your facilities used by community groups and clubs?	Would you be interested in opening your sports facilities up to the community?	Are there any other improvements to your facilities you would like to see happen?	Are there any other comments you feel are relevant?
De La Salle Primary School	Use College facilities Use of a field in Bagatelle Lane	No facilities of our own	We would prefer a dedicated primary school gym and a field located within the College grounds	No	Not sure if we can help but willing to listen to any proposals.	As a non-provided school, we are fully responsible for the provision and upkeep of facilities.	The College facilities are shared between the primary and secondary schools.
D'Hautree House School	Games room Hard court - basketball hoops and goals	They are usually sufficiently	Could do with an indoor gym and possibly a weight / fitness training area.	Hard court - Highlands College	N/A I would imagine	Hard court needs resurfacing - can become dangerous when wet.	The school use Fort Regent and FB Fields for sports lessons
St James Special School	Small Hall Small play area/car park	Adequate for our uses.	No	No	Yes in principle, but they would be of limited use to groups due to the nature of the resource	Would like to resolve tension between car parking and play space.	None

Hautlieu School	ESC Managed Sports Hall Dance studio Gym/weights room Courts Sports pitch	High quality internal but lacking in certain external aspects.	All weather surface, 2nd changing rooms and improvements to the swimming pool access.	I believe so. Please contact ESC for further details.	Need to contact ESC	Courts surface needs improving.	Hautlieu School share sports facilities with Highlands College - the facilities are managed by the Education Sport and Culture Department.
La Moye Primary School	School Hall Playground Woodland play area Small playing field	Average - We can always use more and better!	Larger playing field, all weather surface, large indoor Sports Hall	Hall - Brownies Hall - Dance Group Hall - Fit Kids Hall - Holiday clubs	It is a possibility	More trees and grass areas.	
Les Landes School	School hall Playground Field	Adequate	We have enough.	Hall - karate club Hall - Ballet School Field - St Ouen Youth Club	Possibly	No	No
First Tower School	Lrg Sports hall Small school hall	The sports hall is excellent but	I would really like a school playing field	Hall - Brownies Hall - Dance groups	We already do a large amount of this anyway.	Further outdoor space would be really valuable to	The use of the park is very helpful, however needs a high level of

	2 small playgrounds Use of St Andrews Park	short of other spaces.		Hall - Football training		us.	staff to support the walk there for health and safety reasons.
